

## FIVE PROPHECY-RELATED STORIES IN 2024

(1). IN 2024 – IT BECAME COOL, FASHIONABLE, AND EVEN ACCEPTABLE TO HATE THE JEWS – WORLDWIDE.

ZACHARIAH 12:3 – And in that day will I make Jerusalem a BURDENSOME STONE FOR ALL PEOPLE: all that burden themselves with it shall be cut to pieces, THOUGH ALL THE PEOPLE OF THE EARTH BE GATHERED TOGETHER AGAINST IT”.

But a war on the Jews is a war on civilization! First, they will come for the “Saturday people”, then the “Sunday people”, and then, for anybody standing in their way. But who could have imagined such a global outpouring of hatred towards a people who have only been so “Marginalized” in the world? Because what about all of the “Hate Laws” in the law books, in so many of the nations of the world? But God’s Word prophetically predicted it!

(2). IN 2024 – WE CELEBRATED THE ANNOUNCING OF THE SOON-COMING “ANTICHRIST”.

JOHN 5:39-47

The soon arrival of “The Antichrist” was pre-announced at “The

Summer Olympics”. He even rode on the predictable “White horse”. How do I know? Because of the debauchery of the whole entire event, and by the rave reviews by the world media, of the event.

### (3). IN 2024 – THE WORLD WAS CHEERING FOR SATAN.

When Kamala Harris was told at a rally by a person who was there and shouted “Jesus is Lord,” – She laughed and said that maybe he needed to go down the street, to another rally (A President Trump rally), and her statement was met with applause and approval from the crowd. I am reminded that much of the world is not cheering for Jesus. As a matter of fact, they’re cheering for Satan and his agent, “The Antichrist”. As a matter of fact, they cannot wait for his appearance. The person who shouted “Jesus is Lord” was ridiculed and mocked, but make no mistake! It was God who was being condemned by the crowd!

### (4). IN 2024 – THE “ONE WORLD GLOBALISTS” – HEADS ARE SPINNING.

“The One World Globalists” took a giant leap forward with their September’s “Pact for the Future,” but were dealt a setback with the election of Donald Trump. Yuval Noah Harari called President Trump’s victory, “A death blow to the New World order” (But not for “The One World” religion). He warned that President Trump’s nationalism poses an essential threat to “Globalism” and a “One World” government. Their heads are spinning and exploding right now, but nothing can stop the prophetic word of God in Revelation chapter 13.

### (5). IN 2024 – CREATION KEEPS “GROANING” – MORE THAN EVER.

ROMANS 8:22 – “For we know that the whole creation (Everything that has been affected by mankind’s fall – all of nature) groans and travails in pain together until now”.

In Romans 8:22, it suggests that everything that is fallen under the curse of sin is now “Crying out” (Not Global Warming) for redemption or “The Second Coming of Christ Jesus” and that the very nature of this world, with “Natural Disasters”, is becoming more unpredictable, more intense, and more frequent in disasters. I know this to be true, by my rising insurance rates, the closing of insurance companies, and by looking out my window at home!
